Dear Parents, Caregivers and Community

Welcome to Week 10 and the last week of Term 1. Wow! Have you seen the new Kindy playground yet? It looks amazing and the Kindy kids really love it. A HUGE thank you to the P&C for their efforts in fundraising and coordinating the installation. Thanks also to parent helpers and volunteers who participated in the recent busy bee in the Early Childhood playground. A fantastic achievement.

Industrial Action on 1 April 2014
Thank you to everyone for supporting the industrial action taken by staff last week (Tuesday 1 April) and keeping your children home or making other arrangements for their care. As you are aware, the SSTUWA (Teachers Union), United Voice (School Support Staff Union) and CSU (Admin Staff) directed its members to stop work for the day and attend a rally to protest funding reforms for schools. As all teaching staff and some school support staff attended the rally in Katanning, we were not able to guarantee duty of care for students who might have come to school, and therefore applied to the Director General for authority to close the school for the day. (The principal does not have the authority to close a school).

Preparation for ANZAC Day: 25 April 2014
ANZAC was the name given to the Australian and New Zealand Army Corps soldiers who landed on the Gallipoli Peninsula in Turkey, early on the morning of 25 April 1915 during the First World War (1914-1918). Every nation must, sooner or later, come for the first time to a supreme test of quality; and the result of that test will hearten or dishearten those who come afterwards. For the fledgling nation of Australia that first supreme test was at Gallipoli.

As a result, we celebrate ANZAC Day on 25 April, where the whole of Australia joins in solemn ceremonies of remembrance, gratitude and national pride for all our men and women who have fought and died in all wars.

This year as ANZAC Day falls in the school holidays, our school will host a combined ANZAC Day service at Narrogin Memorial Park on Friday 11 April at 11.00am. Students from St Matthews, Narrogin Primary and Narrogin Senior High Schools will be in attendance. All our Year 4-7 students will attend the service.

During the combined schools ceremony our students will also lay our wreath, which will be constructed using flowers brought to school by our students. The making of a whole school wreath has become a tradition at our school and is a lovely symbol of our whole school working together.

Therefore on Friday 11 April we ask that ALL students to bring along ONE flower to contribute to our whole school wreath. Flowers can be brought to the table outside the deputy office on the verandah before school.

P & C News

We have filled the vacant positions on our P&C executive. Congratulations to Jo Thomas who has accepted the position of President, and to Debbie Haymes, for taking on the Treasurer position. I look, forward to working with another dynamic team this year.

Friendly Schools and Families: An approach to preventing and dealing with bullying

The latest Communication and Family Activity sheets have been included with this newsletter – hard to miss on BRIGHT ORANGE paper! They are also available on our website by visiting http://www.eastnarroginps.wa.edu.au/school-info/articles. This week there are two sets to tide you over the school holiday period:

- Communication 2: Understanding bullying; and
- Communication 3: Dealing with bullying.

Students who show their completed Family Activity Sheets at school can earn East Narrogin dollars through the Passport Program.

As this is our last newsletter for the term I would like to wish everyone a safe holiday. Please remember that we DO NOT have a school development day on the first Monday back from holidays. Students return to school on Monday 28 April.

Enjoy the last few days of Term 1.

Combined Schools’ Anzac Service

This year East Narrogin Primary School is hosting the Combined Schools’ Anzac Service at the memorial Park on Friday 11 April at 11.00am. I have been really impressed with how willing the students have been to undertake various roles and tasks. Thank you to Gerome Jones, Kate Dyson, Juanelle Van Wyk, Jack Bradford and Aaron Gould for submitting essays on this year’s theme for our Anzac Service “Commemorating the Centenary of the Commencement of the First World War. The following students will representing our school in following formal tasks:

- Wreath layers—Georgia Barr and Jonathan Lynch
- Master of Ceremonies—Sarah Coetzer and Daniel Jacob
- Prayer of Remembrance—Sophie Chivell
- Speech—Kate Dyson

Uniform

This term there has been a few of our students not wearing the proper uniform. East Narrogin takes great pride in our school uniform and encourages the wearing of it at all times. The School Board has developed a Dress Code Policy for our students, and this is on our school website. Please ensure your child is in correct school uniform, including the correct school jumper and green shorts/pants. All students must wear appropriate closed in footwear. There are quite a few junior girls wearing glittery thongs and ballet flats. This type of footwear is not considered to be safe on our verandahs.

Interschool Swimming Carnival

I would like to apologise for leaving out two students names off the last newsletter. These two students were runner ups in their age groups being:

- Mia Slawinski Runner up 9 year old girls
- Paige Zabajnik Runner up 10 year old girls

Well done girls!

GRIP Leadership

The Year 6/7 leaders have been completing follow up leadership tasks from leadership themes highlighted in this conference.
Apa kabar, semua? How are you, everyone? During week 8, the middle primary classes did a special cooking lesson with me and they also got to taste the delicious chicken we made. Indonesia has a long history with herbs and spices and through these special cooking lessons I am hoping the students will learn how each herb and spice creates different favours and the importance these herbs and spices play in Indonesian culinary history.

During this week, the upper primary classes and Room 4 will also be doing the same cooking lesson with me. If you would like the recipe of the chicken dish, please feel free to ask me.

Selamat Hari Paskah! Happy Easter! Have fun and be safe during the upcoming school holiday!

Terima kasih (Thank you)
