Dear Parents, Caregivers and Community

Welcome to Week 8 and the start of the countdown to the end of this term. This Friday we look forward to Room 1s assembly.

Introducing ENEe Bee

This week we introduce a special guest who will be attending all of our Monday assemblies from now on. ENEe Bee is our school mascot who will help us remember the East Narrogin Expectations for student behaviour. Each Monday he will draw out five winners from the barrel of those students who have earned ENEe Bee points over the previous week. Winners will spin the wheel and could win the chance to have Pizza with the principal; Dessert with a deputy; Free time with a friend; or Free dress with a friend.

This week’s focus behaviours are about the expected behaviours of our students while they are eating their lunch in the school undercover area.

East Narrogin is a SunSmart school

As a SunSmart school East Narrogin has, as part of its school uniform, a wide brimmed hat, which protects the ears and neck as well as the face. Our SunSmart policy can be seen on our school website and outlines our practices to protect children from the sun’s harmful rays and UV levels. Lately a number of our students have been wearing peaked caps to school instead of the school uniform hat. The peaked cap is not an acceptable SunSmart hat. Please encourage your children to wear their SunSmart hat when they come to school. School hats can be purchased from the school canteen.

Faction Athletics Carnival

On Friday of Week 9 (20 September), we will have our annual faction athletics carnival, with the jumps and throws event being held on the Tuesday of that week. All of the staff have been working hard to help our students prepare for these events. I wish all the competitors good luck and I know that all will display our usual good sportsmanship. The weather promises to be sunny so I urge all families to be respectful

Be respectful

Speak clearly and use manners at the canteen. Remain seated until dismissed by class or duty teacher. Wait until the bell before buying from the canteen.

Be responsible

Be prepared with lunch and water bottle. Move promptly to undercover area at recess, lunch and assembly time. Eat your own food. Sit in your class area.

Be caring

Remain seated when eating. Use manners, when eating. Be nut allergy aware.

Be your best

Eat a healthy lunch.

From the Principal

Please remember that we have early close at ENPS every Monday. School closes at 2.30pm Kindy closes at 2.30pm

Narrogin Senior High School Open Day
Thank you to those who made the effort to support our school’s display and stall at the Narrogin Senior High School Open Day last Saturday. Whether you helped with the P&C stall or with supporting our Year 7 student leaders, it was a terrific way for our school to be promoted in the community.

Learning Journey Evening - Monday, 23 September
Week 10 is getting closer and our students and teachers are getting their classrooms ready and preparing their learning journey plans. Over the next week you will receive a personal invitation from your child to attend our Learning Journey evening on Monday, 23 September from 5.00pm – 7.00pm. Last year we saw 78% of our families during the evening. This year we are aiming for many more! Please come along and show your support for the learning of your children.

National Assessment Program in Literacy and Numeracy (NAPLAN)
In May this year students across Australia in Years 3, 5, 7 and 9 sat common national assessments in reading, writing, language conventions and numeracy. The NAPLAN student reports will be sent home with our year 3, 5 and 7 students after Monday, 16 September, if they sat the test at our school. An information pamphlet to explain how to read these reports and understand your child’s score will be provided with the report.

Road Safety Education
The latest activity sheets are available on our website this week to support our school’s health program this term. Please visit our website at http://www.eastnarroginps.wa.edu.au/school-info/articles to see how parents and carers can play a critical role in ensuring children - whether as infants, children or as young adults - are safer on the road.

50th Anniversary Celebration

WANTED

In preparation for our 50th birthday celebrations this year we are looking for photos or other memorabilia for our display during the event on Saturday, 9 November 2013. If you have such items we would love to borrow them. Please hand them in to Fiona Kirby at the front office. We will scan photos and give them straight back to you.

Also – we would love to have suggestions for items to go into a time capsule we will bury as part of the celebrations.

Joanna Hayes & Johan Van Wyk, Deputy Principals

50th Anniversary Mural

Christine Davis has started putting up tiles for our mural done by our students. Below are some photos showing the mural taking shape. Also we would like to introduce Kristina Kapustina from the city of Vladivostok who is a Rotary Exchange Student visiting from Russia who is helping out with the mural.

STUDENT LEARNING JOURNEY

On the night of the learning journey, there will be a book fair hosted in the library. A wide range of books suitable for all age groups are available for viewing and purchase. There will also be a variety of nic-nacs and posters starting from $1.00.

Students will have the opportunity next week to fill out a wish list. This wish list will be sent home in order for anyone wishing to do a credit card purchase. On the night, books may be purchased by cash or using the wish list order form.

A percentage of sales generated from this book fair go to the school. Please support.

Win a $50.00 Canteen Food Voucher

This term every person that helps out will go into a draw to win a $50.00 canteen food voucher to use in Term 4.

Thank you again to our helpers, Louise Coppock and Rachael Grice (who helped twice), and Val Ballard. These three people have been coming in every week this term. Also thank you to Sara Ballard and Ruth Bilman for your help.

We will be in need of extra help on 19-20, September to do lunches for St Matthews and our sports carnivals.

September is fruit and veg month, so we will be offering more fresh fruit and vegetables at recess all month. We have lots of stickers to give away to healthy eaters. Any donations of excess fruit and vegies that you may have grown at home would be most appreciated.

The canteen committee has been advised that flavoured water drinks are not allowed on the menu so the Amuse Water is now off the menu.

TIP: To keep strawberries from going off to soon, sit them in water with a little vinegar for 20 minutes and they will keep longer.

Try this with your tomatoes and citrus fruit as well.

Room 6 Chickens

In Room 6 we are exploring the world of chickens through our science unit called “Watch Me Grow.” We are discovering their life cycle from starting as an egg in our incubator, candling the eggs to see whether they were fertile and then hatching them in our brooder box.

We are charting their growth over the rest of the term. The students are enjoying learning all about chickens and interacting with the chickens.
