Dear Parents, Caregivers and Members of the School Community,

It is the final week of Term 3, and how quickly it has past! I cannot begin without mentioning our Learning Journey evening, held last night. It was a fantastic evening, with 80% of families represented. All areas of the school open for viewing showcased the talents of our students and looked most impressive, as all Mrs Vicki Lange and I served sausages to also agreed! I congratulate the students and staff for presenting such a brilliant evening, and thank the parents and guardians, grandparents and older siblings that attended. Your attendance and support was greatly appreciated, and we thank you for providing feedback via the survey made available during the evening. Your willingness to provide valuable feedback will assist us to further improve what is already a wonderful family evening. Thank you again for sharing this wonderful evening with us.

I also thank Mrs Lisa and Mr Michael Barr for assisting with the serving of sausages during the peak period, it was greatly appreciated!

Our students, staff and parents have had the opportunity to participate in other successful events as the final weeks of Term 3 have unfolded. Sporting carnivals always bring out the best in those participating and our recent Athletics Carnival was definitely proof of that. Marri, Jarrah and Wandoo battled it out, all vying for the title of champions. It was the perfect day weather wise, and the manner in which students had been participating in practice prior to the event set the scene for a competitive day. The sportsmanship of all students on the day was commendable, and the manner in which staff and parents combined to run an amazingly smooth event was just tremendous. We look forward to this week’s Interschool Athletic Carnival taking place at Thomas Hogg oval today and Thursday.

Last week we held our first ENE Bee Buzz Day and it was a tremendous day, with the large majority of the school, students and staff, dressed in costumes of their favourite book characters. You can see for yourself some of the wonderful costumes in this week's newsletter. The day focused on the promotion of a positive atmosphere and a sense of school pride. Most evident throughout the day was a positive vibe around the school, and we look forward to continuing to offer rewarding days of this nature to our students. I congratulate Mrs Jude Jones, Mrs Coral Lund, Mrs Rebecca Ford, Miss Megan Thomson, and Mrs Michele Corasaniti for organising and facilitating such a wonderful day – well done, ladies! I for one cannot wait for the next one. I am thinking about my costume already!

Please be sure to view our Term 4 Planner, provided in this week's newsletter, and note the events scheduled for Term 4. We look forward to warmly welcoming you as you join us for events when possible.

In closing I provide a friendly reminder that all visitors to the school are kindly asked to sign in at the front office before entering classrooms, this includes those dropping off lunches to students throughout the day. I thank you in anticipation of your acknowledgment of this official requirement.

I wish you all a restful break, and look forward to seeing all students recharged and ready for learning on Tuesday 14 October for the beginning of Term 4, the final term of the 2014 school year.

CHAT Awards
Last Wednesday Mrs Hayes, Mrs Forman and Mrs Fowler attended the Changing Health Acting Together Awards. The CHAT program aims to embed a more comprehensive approach to resilience, drug and road safety education by offering our school the opportunity to develop and implement longer-term health and well being initiatives. Our school was successful in achieving silver status.

High School Open Day
Thank you to staff and student leaders for supporting our East Narrogin display at the High School recently. The photos and artwork looked great.
CHAT Artwork
The students who volunteered their free time in the July holidays to participate in the Arts Narrogin project were invited to draw pictures representing important resiliency messages in our school. These boards will be displayed around the school in the near future to remind everyone of expected positive behaviours in our school.

Early Childhood Centre

Early Childhood Centre Athletics Carnival
On Friday 19 September the Early Childhood students participated in their own Athletics carnival. We had 4 teams participating, 'Sharks', 'V8's', 'Cheetahs' and 'Horses', named by the students themselves. All students showed great sportsmanship and determination during their running race, flag relay, tunnel ball and egg and spoon race. Younger siblings even ran a great race and received a medal. A huge thank you to all of the families who came to spectate and to cheer us on. Also thank you to Mr Van Wyk for helping with the set up.

Go Health!
Fruit & Veg September – Try Meat free Mondays!
Western Australian schools celebrate Fruit & Veg September each year to encourage children to eat fruit and vegetables.

Sometimes we need that extra reminder to get our 2 fruit and 5 veg into the day. In Fruit and Veg September, why not try Meat-free Mondays in your house? Having one meat free meal a week is not only a good way to remind us to boost fruit and vegetable intake, but it can also be a good way to save money!! It is a good idea to replace meat with recipes that include alternate protein sources such as lentils and beans.

Some great meal ideas for meat free Mondays include:
- Lentil and bean curry
- Mediterranean polenta pizza
- Sweet potato and asparagus frittata
- Veggie pies polenta
- Pumpkin, cauliflower and spinach curry with quinoa

Check out www.nutritionaustralia.org for these and more ideas!

Spring Festival Street Parade
Saturday 25 October

This year the theme for the Spring Festival is Party, Party, Party and our school has chosen to wear masks in the parade. We would love as many students as possible to participate in this community event. Parents and younger siblings are also welcome to wear masks in our parade.

We will Marshall on Glyde Street (opposite St Matthew’s School) at 10.30am for an 11.15am start.
Parade route:
Right out of Glyde, left into Fortune, left into Earl, left into Williams Rd,
Then around park again, then right into Glyde (This is subject to change)

All students will be given the opportunity to make their own mask at school. The school will be providing the masks. May I please ask that students bring in their own decorations for their mask early next term. For example: feathers, beads, glitter etc.

Please fill in the form below and return it to me as soon as possible if you are attending, so that I have an idea of numbers.

Kind Regards
Jo Hayes
Deputy Principal
