Dear Parents and Members of the School Community,

Welcome back! I hope you are refreshed and pleased to have entered a new term, with warmer weather, some days! Here at school, already, staff and students are well and truly settled into this fourth and final term of the 2014 school year. Can you believe there are only 8 weeks remaining in the 2014 school year, 42 school days to be precise?! We have begun Term 4 and most pleasingly our students have acknowledged the next level of work required by them to continue on their path to success, and an extremely smooth start has been the result. Staff are well prepared for the term ahead and our Coming Events outline events we hope you will share in the enjoyment of with us.

I hope students and parents will continue to work in partnership with the staff of East Narrogin Primary School to ensure the best possible education is provided right until the final day of the school year.

You will notice transition and orientation days in our Coming Events. Further information relating to transitions, including invitations, will be received via the post this week by our 2015 Kindy students, and our Year 6 and Year 7 students will receive communication from Narrogin Senior High School. Transitioning into a school or a new year level is a most exciting time for students, however, it can be daunting. Students transitioning into and through East Narrogin Primary School will be provided with tremendous opportunities to experience our many offerings in a safe environment and I look forward to welcoming our new Kindy students next week, and our 2014 Kindy students to our main site in the coming weeks. Our Pre Primary students will also begin experiencing the “big school” soon too, how exciting!

Next Friday 31 October is World Teachers Day. Celebrated in over 100 countries, World Teachers' Day acknowledges the efforts of teachers in an increasingly complex, multicultural and technological society. It is a day on which students, parents and community members can demonstrate their appreciation for the contributions that teachers have made to their school community. I will be showing my appreciation to the staff of East Narrogin Primary School by holding a morning tea to acknowledge the contribution they make to education. Please encourage your children to acknowledge their teacher’s next week. Something as simple as writing a small message will be greatly appreciated, I am sure.

In closing this week, I thank the parents and members of the wider community who continue to remain strong supporters of our school and its continued positive progression. You cannot please everyone, and our intention
is not to jeopardise progress by attempting to do so. Instead, our aim is to continue striving to ensure our students are provided with the best possible learning opportunities, regardless of ability or style of learning. The glass half full approach is the approach of the TEAM at East Narrogin Primary School and to those of you that share our approach we thank you and look forward to continuing to share the success of our students with you.

Our School Board will be meeting next Tuesday 28 October from 6pm, in the library. As always we warmly welcome you to this meeting to hear firsthand the happenings behind the scenes.

“The only place where success comes before work in is the dictionary.” ~ Donald Kendall

Kate Wilson
Principal, East Narrogin primary School

Narrogin Show Display

Thank you Simone Holt and Susan Regan for setting up the school display at the Narrogin Show last weekend. The display showcased our students’ high standard of work, and it was great to see our student leaders volunteering their time to supervise the display on the day. These student leaders were Kate Dyson, Juanelle Van Wyk, Zane Drage, Caleb McBlane, Xavier Windsor, Jade-Amy Triplet, Ashleigh Smith, Gerome Jones and Jessica Coppock.

Thank you also to Mrs Dyson, Mrs Hayes, Mrs Jones, Mr Van Wyk, Juanelle Van Wyk and Mr Shephardson for packing up the display at the end of the show.

Joanna Hayes & Johan Van Wyk
Deputy Principals

Semantics

The Magic of Meaning

Through semantics children learn to attach meaning to words and begin to understand the relationships between words.

You can help your child by having conversations with them, playing games and asking them questions. Try these this week:

- Name as many things as you can see - on the way home, in the garden or in the sky.
- “I spy” instead of using the first sound play by describing the word “I spy with my little eye something you use for writing, it is found in your pencil case and is made of wood”.
- Ask questions about items in the house -
  - What does it do?
  - What is it used for?
  - Where does it go?
  - What is it made of?

These are just a few suggestions. There are many ways to improve your child’s knowledge of language, but the best way is to talk with your child at every opportunity.

Lynda Herdman, Language Leadership.

Science News

Science News — Mildew Mania

Over the past few months Room 4 and Room 10 students have been involved in a project for Curtin University called Mildew Mania. We have been growing different varieties of barley seeds and monitoring the spread of the fungi Powdery Mildew. We planted two pots each of five different varieties of barley. The types were: Baudin, Oxford, Flinders, Lockyer and Jockey Treated. Powdery Mildew grew on three varieties and we sent samples to the laboratory at Curtin University. Flinders and Oxford were the two varieties that were resistant to Powdery Mildew. We hope our contribution has helped the researchers develop different types of barley for our farmers to grow.

Certificates of Appreciation will be given to all students involved in the project.

Mrs Nelson, Science Co-ordinator

Walk To School Day

On Tuesday 28 October we are encouraging students and their families to walk to school (or to the bus stop) to participate in Walk to School Day to increase walking and decrease congestion around the school and car park.

Walk Over October is an annual event to encourage West Australians to replace short car trips and to be active by walking for transport, health, recreation and the environment.

We would like to see as many students and their families as possible walk part or all of the way to school (or bus stop). This event aims to encourage school students and their families to lead a more active lifestyle by walking to school or bus stop.

Walk to School Day is not a school excursion and therefore it is your responsibility to take measures to protect your child from risk of harm if you decide to participate.

Please note, this is not a school activity. The school assumes no responsibility for the supervision of students who participate in the activity and any aspect of the activity.

A good reason to participate!

If we all changed just one or two car trips a week to active transport, such as walking and cycling, we could reduce traffic congestion and air pollution while saving money and improving our health and safety of our children.

Tischa Forman, Jo Hayes & Nicole Fowler

Canteen News

Welcome back for Term 4. We hope you had a lovely break from school. Thank you to our helpers Louise Coppock, Val Ballard, Teagan Lawrence-Lang and Dot Gresham. We are looking forward to seeing some new faces helping us out with your children’s recess and lunches. This terms menu is attached. If anyone has an abundance of fruit can they please donate to the canteen.

Uniforms

If you would like a faction shirt for your child, remember to let us know by this Friday so we can order them in ready for next year. They are to be worn each Friday for sports.

From the Canteen
Spring Festival Street Parade

Saturday 25 October

This year the theme for the Spring Festival is Party, Party, Party and our school has chosen to wear masks in the parade. We would love as many students as possible to participate in this community event. Parents and younger siblings are also welcome to wear masks in our parade.

We will Marshall on Glyde Street (opposite St Matthew’s School) at 10.30am for an 11.15am start.
Parade route:
Right out of Glyde, left into Fortune, left into Earl, left into Williams Rd,
Then around park again, then right into Glyde (This is subject to change)

All students will be given the opportunity to make their own mask at school. The school will be providing the masks. May I please ask that students bring in their own decorations for their mask. For example: feathers, beads, glitter etc.

Please fill in the form below and return it to me as soon as possible if you are attending, so that I have an idea of numbers.

Kind Regards,
Jo Hayes
Deputy Principal

Family name:___________________________________________

We will be attending the Spring Festival Parade on Saturday 25 October
