Dear Parents and Carers,

A big thank you to all those parents, grandparents and carers who came along to our Learning Journey last Monday to share and support your child’s learning. It is a wonderful opportunity to show your child how much you value what they do at school and to take the time to speak with staff.

I was very pleased to receive many positive comments regarding the upgrading of the school environment – the mural, breezeway painting and potted plants have all been very effective in lifting the atmosphere of the school. I am hoping that the new Basketball court and junior games will be completed for the beginning of 2017.

Planning for 2017 is well underway with teachers and classrooms remaining similar to this year. If you know anyone who has not as yet enrolled their Kindergarten child please let them know that the school is still taking enrolments.

Thank you to all those parents who completed our survey and handed it in. If anyone still has a survey please hand it in at the front office by Thursday. Thank you.

Thank you to Mrs Fowler who is now running the Triple P parenting course at our off site classroom for all those interested. If you would like to attend please contact the school or Mrs Fowler in the kindergarten.

I would like to operate other adult/parent activities at our offsite room and if you have any suggestions please contact me at the school.

Have a great week.

Best Wishes,
Ann Webster, Principal
From the Deputy

Swimming Lessons Week 7 and Week 8
On 21 November – 2 December ECC2, P/1, Room 3 and Room 4 will be participating in swimming lessons at the Narrogin Recreation Centre. These students will require goggles, towel and bathers and the entry cost is $2.60 per student. Students do not attend swimming on School Development Day (Monday 28 November).

Injury Free Day, Friday 28 October
Injury Free Day is a national safety awareness campaign organised by the KIDS foundation. Every day in Australia, 5000 children are injured and 100 are hospitalised as the result of accidents. Safety at East Narrogin is our highest priority and our involvement in Injury free Day will help all of our students to focus on injury prevention in our own local community, as well as reminding us that safety is an important national issue.

On Injury Free Day all students were encouraged to dress up in safety gear and make a gold coin donation. We raised $116.00.

Kind Regards,
Joanna Hayes, Deputy Principal

If you could have dinner with any 3 guests (dead or alive), who would you invite? David Attenborough, Elvis, Princess Diana.

Breakfast ideas – get kids ready for learning
Children that start the day with a nutritious breakfast are ready to learn at school. A good breakfast should include fruit or vegetables, a dairy product and a wholegrain product.
Try some of these breakfast ideas to ensure your kids get off to a good start:
• Wholegrain fruit bread with ricotta cheese
• Porridge with milk and sultanas, berries or banana mixed through
• Smoothies with milk, yoghurt, soft fruit and oats – add spinach for a green smoothie
• Wholegrain English muffin, topped with cheese and tomato
• Yoghurt topped with oats and fruit
• Baked beans with wholegrain toast and a piece of fruit.
• Boiled eggs with toast soldiers.
• Poached or scrambled eggs with toast and a glass of milk.
• Toast with avocado, tomato and a glass of milk.
• Wholegrain toast topped with sliced banana, and a small yoghurt tub.
Try to ensure your child has breakfast – it really is the most important meal of their day. The long lasting energy and nutrients helps them to learn and play at school.
Go to LiveLighter Healthy Breakfast Recipes for more healthy breakfast ideas.
