Dear Parents, Caregivers and Community

Welcome to Week 8 and the countdown to the end of term. A big thank you to Sarah Coetzer for writing last week’s introduction to the newsletter, while she was in the Principal’s chair for the day. Some of you might have heard Sarah’s interview on ABC radio with Geoff Hutchinson last Wednesday morning or even at other times. Geoff declared it his favourite interview of the week, and replayed it several times. Well done to all students who represented our school during the Winter Carnival last Friday which was organised by Narrogin Primary School. I have heard feedback about the excellent sportsmanship and camaraderie shown by several students in particular. Thank you to Mr van Wyk for coordinating our school’s involvement.

Reporting to Parents

As the end of the term approaches, teachers are preparing reports for parents to communicate their children’s progress and achievement over Semester 1. All students in public schools from Years P-7 will receive the same format for reporting to indicate attainment of the Expected Standards for each year level as they relate to the Australian Curriculum. Students in Years 3-7 will be allocated grades. It would be usual for a student to have the same grade from one reporting period to the next as this indicates that he or she has made progress towards a higher expectation. This semester we will also trial a new reporting format for Pre-primary students which is more in line with the Australian Curriculum and the reports that students receive in Year 1. The Kindy report will also include some modifications from previous years.

Teachers are provided with practical support for reporting, in the form of examples of student work showing grades from A-E, which along with a wide range of assessments, assists in the allocation of a grade. Parents can also visit a website to view some examples of student work which illustrate each grade from A-C. I encourage you to visit the site at: http://www.det.wa.edu.au/curriculumsupport/exemplars/detcms/portal/. Public school teachers have access to a more extensive range of annotated student work samples. I urge parents and caregivers to carefully read the comments also provided in the student report as these provide more information about each child’s approach to learning and specific support required to improve. Parents can also request an interview with the teacher to discuss further support for students.

Reports will be sent home on Wednesday 2 July in Week 10. Please talk to your child’s teacher if you have questions about reporting.

Student Enrolments for 2015

Apply to enrol by Friday 25 July.

You need to apply to enrol your child in a public school for 2015 if they are:
- Starting Kindergarten
- 4 years old by 30 June 2015
- Starting Year 7—that will be the first year of secondary school
- Starting year 8
- Changing schools.

Visit your local school to apply to enrol or for more information and to find public schools in your area visit education.wa.edu.au.
Friendly Schools and Families:
An approach to preventing and dealing with bullying
The latest Communication and Family Activity sheet has been included with this newsletter – hard to miss on BRIGHT ORANGE paper. They are also available on our website by visiting http://www.eastnarroginps.wa.edu.au/school-info/articles. This week the focus is:
Communication 7: Friendship and Social Support. Students who show their completed Family Activity Sheets at school can earn East Narrogin dollars through the Passport Program.

Sadly, next semester I will not be returning to East Narrogin Primary School. I will be taking long service leave for the remainder of the year. During this time I will be moving back to my hometown of Northam and also travelling to India for a month with my husband and niece. My replacement will be announced in Week 10’s newsletter.

Enjoy your week.

Winter Lightning Carnival
Congratulations to all our Year 4 – 7 students who participated in the Winter Carnival. It was a fantastic effort from all our students on the day. A big thank you needs to go to all Staff, Parents and Relief Staff for their help with the teams on the day.

Leadership
The Year 6 and 7 students have been learning about the qualities of a leader and working in groups to promote an activity within the school. The aim of this project is for students to improve their organisational and public speaking skills. This week students are offering leadership advice and tips on being a good leader to Year 5 students on Wednesday during lunchtime and a drawing competition on Friday. These activities have been promoted within the school and are on display outside the deputy office.

From the Chaplain

A big apology in last newsletter it was stated that Uniting Church donated $100.00 towards our breakfast club. Please note it was in fact Baptist Church.

East Narrogin Primary School and myself would like to say a big thank you to the Baptist Church for donating $100.00 dollars for breakfast club.

Thank you!

Marty Vause, Chaplain

Asia Literacy and L.O.T.E. News

Hai, apa kabar? Hi, how are you? On Friday 6 June the students from Year 3 to Year 7 went to the brand new Performing Arts Theatre at Narrogin Senior High School to watch a Wayang Kulit show. Wayang kulit means shadow puppet in Indonesian. It was a marvellous cultural experience for our students as we have been learning about shadow puppet during Indonesian this term. The students really enjoyed the show and they thought the play was very entertaining. We also would like express our thanks to Ms Brooke Rintoul at Narrogin Senior High School for organising this unique experience for our students.

Below are some of our students’ reflections on the shadow puppet show:
‘I loved the fact we could see the puppet show behind the screen. That’s where all the actions were.’ – Alexander, Year 3.
‘I learned all the shadow puppet stories are about good versus evil. Good always win at the end.’ – Liam, Year 4.
‘To be a shadow puppet puppeteer requires many years of training and practice and you can go pretty much all over the world to perform the show.’ - Sarah, Year 7.
‘I loved the traditional outfit the puppeteer wore during the performance as it was so colourful and unique.’ - Wez, Year 6.
‘I learnt the colours on each puppet’s face represent a different expression’ Joslyn, Year 5.
‘I liked how each puppet character moved and talked during the show.’ Ella, - Year 3.

Terima kasih (Thank you).
