Dear Parents and Carers,

The 2016 school year is quickly drawing to a close, with only sixteen school days remaining for students! The remainder of the term will see our students and staff engaged in multiple activities, such as swimming lessons, excursions, transition day, Graduation and Book Awards, and a visit to the town hall to see a Masquerade school musical performance by St Matthews’. I look forward to all students recognising the importance of attending school until the final day of the year and participating in the events that will be available.

The staff had a very positive and productive Professional Development Day yesterday with presentations on Planning, NAPLAN, Code of Conduct and TEAM TEACH. Thank you to all the presenters.

Congratulations to our wonderful staff; Ann Webster, Joanna Hayes, Coral Lund, Laycee Coles, Carole Kickett, Coral Parrett and Katrina Kirby, who were recognised by the Narrogin Network for their outstanding contributions to Education.

Our final Board meeting for 2016 will be held next Tuesday, 06 December from 6.00pm in the library.

**Your view on education:** A child's education is a partnership between your child's school, the community and your family. Parents should install the importance and benefits of learning in to their children. All children should have the right to learn in a happy, safe and productive environment.

**How can we make ENPS better?** By opening and bettering communication between all school staff, parents, carers and students. Encouraging everyone to be involved in their child's education.

**Favourite expression/saying:** The simplest things in life remind us of all we have to be thankful for.

**If you could have dinner with any 3 guests (dead or alive), who would you invite?** Mother Teresa, Will Ferrell & Usain Bolt.

**My philosophy on life:** Do something nice for somebody today. The littlest thing could make a big difference.
