Dear Parents, Caregivers and Members of the School Community,

Welcome to the beginning of Term 3, a Term that is set to be action packed for staff and students, and plenty of opportunities for parental involvement. I feel privileged to have been provided with the opportunity to assume the role as Principal of East Narrogin Primary School. I look forward, with great excitement, to working collectively with staff and students to further enhance the learning at ENPS, while also raising the bar of expectation, and in doing so generating tremendous success as a TEAM – “Together Everyone Achieves More”.

Since assuming the role of Principal I have felt warmly welcomed and privileged to be the leader of a school with such talented and committed staff and affable and enthusiastic students. I have also thoroughly enjoyed the contact I have continuously been having with our parents and wider community members. I am most pleased that you feel comfortable entering the school grounds and our classrooms. Please continue to join in the process of educating your students. It is vital that strong partnerships exist between staff, students and parents as this significantly contributes to the learning process and the experiences your students have while at school. Please continue to openly communicate with myself and the staff.

I will promote the importance of teamwork and collective decision making at East Narrogin Primary School as I believe such leadership fosters ownership. Successful teams and teamwork fuel the accomplishment of strategic
goals and I look forward to working with staff to achieve agreed goals through the implementation of agreed key improvement strategies. To me, effective teams magnify the accomplishments of individuals and enable the delivery of the best possible education, which is something I strive to achieve as a leader.

I have thoroughly enjoyed getting to know the students over the course of my first week and I have been excited by the academic potential that exists within classrooms. I am passionate about education and ensuring students are provided with the best possible learning opportunities, regardless of ability or style of learning. I also feel it is of the utmost importance to place students at the centre of all decisions made in an educational setting, and believe it is most important for students to be aware of themselves as a learner and develop their ability to think deeply and critically about the learning that is taking place, see its relevance, make connections to the outside world, and then have the ability to articulate it. I ask our students to consciously consider stepping outside their comfort zone with their learning, friendships and communication with staff. The development of ourselves as individuals, outside of the curriculum, is extremely important and is something I will continue to promote. My desire is for all East Narrogin Primary School students to stand out from the crowd for the right reasons, not the wrong reasons. I ask all students to commit themselves to our school and their education and make a positive choice about what it is you wish to stand out from the crowd for. This in turn will significantly contribute to the development of a most positive school culture.

I am aware that I now play an important role in your community and will endeavour to ensure the school is provided with every opportunity to further develop. East Narrogin Primary School has tremendous potential and I hope we, as a TEAM, are able to ensure that potential is harnessed and further developed for the benefit of the most important individuals within the school, our students.

In closing, I will leave you with the first of many quotes I will share with you, in the hope of provoking thought and providing you with an insight into my thoughts as an educator.

“Behaviour is the mirror in which everyone shows their image.”
~ John Maxwell ~

Fotoworks
Are coming to our school Thursday, 14 August

Your child/children will receive home today their envelopes for their class photos and individual portraits. Forms are available at the front office if you wish to have a siblings photo taken.

Both forms can be returned to school prior to photo day or they can be returned on the day. Forms must be returned even if you do not want photos.

If you have any queries please drop into ENPS office or contact FOTOWORKS office directly on 92448211

NAIDOC Activities
Next Tuesday East Narrogin Primary School Year 1-7 students will be participating in a combined schools NAIDOC assembly at Narrogin Senior High School commencing at 9.30am. This assembly will involve a history of NAIDOC, a brief speech by students on the returned soldiers, an exhibition of Noongar dancing and a fashion parade. Following the assembly the Doorum Dancers will be visiting our school and offering workshops on traditional dance.

On Thursday 7 August our Year 7 Aboriginal students will be also attending an Aspiration Day at the Narrogin Residential College to reflect on their future in education. This day will involve motivational talks from East Narrogin past Noongar students’ Che-Ann Turvey and Teangi Garnier.

The students will also learn valuable leadership messages from Olman Wally and the Doorum Dancers, Fred Penny and experience Noongar pop culture. The students will also be able to meet and ask questions of our local and visiting Aboriginal legends. These speakers will include:

- Marcelle Riley
- Erica McGuire — Aboriginal Education Manager, Wheatbelt Region
- Janice Kickett — AIEO, Narrogin Senior High School
- Carole Kickett — AIEO, Narrogin Senior High School
- Laycee Coles — AIEO, East Narrogin Primary School

Leadership Year 6/7
This Semester Room 9 and 10 will alternate leadership sessions as we have now commenced graduation play practice. The leadership group will continue to be responsible for a variety of tasks such as offering prepared activities for students during recess and lunch. I will be requesting their assistance in a few community events such as the Narrogin High School Open Day and the Spring Festival. I am looking forward to working with our productive leaders this Term.

State Cross Country
East Narrogin Primary School will be sending a State Cross Country team to Perth on Tuesday 12 August. We will inform parent of the results after the event has taken place. East Narrogin Primary School would like to wish our students who are participating in the event the best of luck.

Graduation Shirts. I had the pleasure of meeting with our Principal for a Day Miss Sarah Coetzer and student representatives Lauren Erickson, Daniel Jacob, Georgia Barr and Jordan Annear to discuss the procedure the Year 6's and 7's took in selecting their Graduation Shirts. This procedure was documented and will be used for future years to ensure a fair, equitable and democratic selection. I was overwhelmingly impressed at the maturity and enthusiasm for learning that all of the kids showed during our discussion. Thank you to you all.

As always if you are interested in contributing to our Board, or just wanting to learn more of what we do, please come and ask. My email address is gemmahward@hotmail.com.

I hope you have a great Term 3!

East Narrogin Primary School Board Chair

---

To Students, Parents and Care Givers,

I hope you all had very enjoyable holidays, even if it was a bit chilly!

By now most of you will have seen or met our Principal, Miss Kate Wilson. The Board would like to offer our warmest of welcomes to Miss Wilson and we hope she will come to love our School as much as we all do. Also, on behalf of the Board I would like to extend a very big thank you and Good Luck in the future to Ms Fiona Collopy. Our School has benefitted so much from your last five and a half years here. Thank you also for the patience and help you’ve shown me, so I can better serve our School community.

Our last meeting was held in Week 10 on Tuesday 1 July. We are very lucky to be able to announce our new members of the Board. Our new Parent members are Renae Shepherdson, Jonathan Russell and Rohan Edgley, while our new teacher members are Mr Johan van Wyk, Mrs Lisa Nelson, Mrs Bec Ford and Mrs Jade Jones. The full list of Board members is available on our website, along with email addresses, if you would at any time like to get in contact with any of us. I would like to thank the retiring members Leigh Ballard, Mark Regan, Mrs Jenny Sterry and Mrs Nicole Fowler. Thank you for your commitment over the last three years.

At our last meeting we formulated a Dress Code Criteria. This will be used in the future to decide how and when we alter or change the Uniform Policy, also available on our website. This discussion led us to discuss WHAT IS OUR SCHOOL DRESS POLICY? AND WHEN DOES THIS POLICY APPLY? East Narrogin Primary School has a strict dress code which is available in our school information booklet and also on our website. The purpose of the dress code is to promote a positive school identity within the community, as well as a sense of pride when worn. It also makes our students easily identifiable as belonging to East Narrogin Primary School. All items, except shoes, can be purchased from our school canteen, which is open daily.

Wearing the school uniform each day helps children feel like they belong, and is also easier for parents and families to manage. Uniforms are compulsory for all students in all Western Australian public schools and at East Narrogin students are strongly encouraged to wear the uniform at all times. Our Dress Code Policy outlines the colours, acceptable items to be worn, and the specific times when these clothing items can be worn.

An example of our Dress Code Policy in practice is our

P & C
The Nationally Consistent Collection of Data For School Students with Disability

East Narrogin Primary School is part of an Australia-wide project about students with learning difficulties (not progressing at the expected rate) and/or disability, including medical conditions. We have been asked to provide information about the number of children in our school with learning needs. Our school name and the name of your child/children will be confidential. The project will collect information about the ways we support students with special education needs, possibility including your child.

If you would like to learn more about the NCCD you can visit the website www.deewr.gov.au/students-disability. If you would like to talk to someone from NCCD about any part of the data collection, please call the helpline on 047741598. Mobile charges will apply but if you leave a message someone will return your call.

Students that meet the above criteria received a letter home last week. If you do not wish your child or children to be included in the project please return the form provided to the school office as soon as possible.

**‘Orange’ School Bus Services**

Is your child starting or changing schools in 2015 and are you seeking Transport Assistance on an ‘Orange’ school bus?

In 2015 all Year 7 students, will be attending high school as secondary students. This will have a substantial impact on the ‘Orange’ school bus network and will require significant planning. It is very important that Public Transport Authority establishes the number of eligible students requiring Transport Assistance.

The Public Transport Authority is requesting parents that have children starting or changing schools in 2015 and requiring bus travel to complete an online application for Transport Assistance at www.schoolbuses.wa.gov.au by no later than 31 August 2014 for travel in 2015.

Please be aware; Transport Assistance is offered to eligible families in two forms, either by ‘Orange’ school bus or a Conveyance Allowance paid to parents to drive their children to and from school. The type of Transport Assistance provided to a family depends on many factors including, location and bus availability.

If your child is currently travelling on an ‘Orange’ school bus and they are not changing schools next year, there is no need to reapply or contact us as your transport arrangements as a rule will remain the same.

If you have any further questions please phone 9326 2625 or email schoolbus@pta.wa.gov.au

Rankings after Round 18

**$10 Winners!!**

**Round 16**

There’s no denying it - he knows his margins!

**Michael Bradford (again)**

**Round 17**

Powering back into outright first place with this big win!

**Bec & Matt Ford**

**Round 18**

And they still tip the Eagles every round too!

**Room 9**

Wow! Some changes at the top of the table are really shaking things up, but the Ford’s are still 2 points clear with only 5 rounds to go.

Well I managed to get 3 points for myself and 5 for my class again. Very sad really.

Mrs McDougall managed to catch up 2 points on Ms Rayner in the race for the wooden spoon, but it’s still anyone’s race for bottom spot.

Super Starters – A Kindy Readiness Group
Southern Wheatbelt Primary Health is running “Super Starters” in Narrogin in Term 3. The group works with families to help them facilitate their child’s development in preparation for Kindy and the school years beyond. We also work with schools to help promote a strong early relationship between the family and the school and a smooth transition into school life.
The group will run at Southern Wheatbelt Primary Health on Mondays, for five weeks commencing the week of Monday 11 August, 2014. All children who will be attending kindy in 2015 are welcome to attend with their parents. The group will run between 10.00am and 11.30am.
At each session we work with a theme. Children work with their parents and rotate through three activities with speech and language, fine motor and gross motor focus. There are also mat sessions with stories, singing, dancing and discussions. Fruit will be provided for morning tea for the children.
The sessions will be facilitated be a Speech Pathologist, Physiotherapist and Occupational Therapist. Bookings are essential so please contact Primary Health Reception on 98810385 to register your child.
