Welcome to the first issue of the ENPS P&C Focus. We will be bringing you updates each term highlighting projects and events that the P&C are currently focusing on and working toward. The P&C are a very active and passionate group focusing on providing for all students and staff within our school community in a variety of ways. We openly welcome new members to our committee and encourage everyone involved in the school to have their say in areas they feel need attention.

Introducing your P&C
President: Sara Ballard
Vice President: Peter Erickson
Secretary: Karen Chivell
Treasurer: Jo Thomas
Fundraising Chair: Jo Batt
Canteen Manager: Ros Boothey
Principal: Fiona Collopy

Committee Members

Past Achievements and ongoing goals:
Over the years the P&C have contributed enormously to East Narrogin Primary School in many ways. The P&C were instrumental in the development of the school undercover area, the interactive white boards which are now in every class room, upgrade of the computer lab, air-conditioning in the school and the development of the Early Childhood Centre playground to name but a few.
We are also able to provide the school with a canteen that is open 5 days a week for both Recess and Lunch which is a luxury many schools don't have. This is only possible due to our outstanding canteen managers and a core of dedicated volunteers—We are ALWAYS in need of helpers in the canteen.
Currently the P&C are focused on re-developing the Off Site Kindergarten playground which we anticipate will be ready for the start of the 2014 school year as well as installing new water fountains in the upper school as well as the Kindergarten and purchasing a new drying rack for the art room.
The P&C have an ongoing “Wish List” that we encourage staff and parents to add to so we can plan our fundraising events accordingly and distribute the funds evenly through out the school community.
