Dear Parents and Carers

I am writing as a courtesy to ensure our parent community is kept up to date with the evolving situation in response to the coronavirus.

As you would be aware, the Australian Government has announced that all organised, non-essential mass gatherings attended by more than 500 people must be cancelled from Monday 16 March 2020.

The announcement was very clear this does not apply to schools, and that there is no need for school closures. However, schools have been advised to review and reconsider all non-essential gatherings where there are less than 500 people present.

In light of this, we are cancelling or rescheduling all non-essential gatherings such as assemblies and carnivals between now and the end of Term One. Sensible social distancing measures will be in place for times such as the recess and lunch breaks.

As a school we are also paying extra attention to health and hygiene measures. The School Nurse, addressed every class today to deliver a hand hygiene session. This is often addressed at school in the lead up to winter when the flu is more prevalent. This year we are covering this content with the students earlier.

Please see attached Term One planner for events which have been postponed and or cancelled.

If parents or carers would like more information, please visit:
