Dear Parents and Carers

Today, the Government has announced all public schools in Western Australia will remain open until the end of term – **Thursday, 9 April 2020.**

However, we are now encouraging families to keep children at home if you have the capacity to do so. The Department's learning from home resources are available to you.

What this means is:

- From Monday, 30 March to Friday, 3 April all children who attend school will be taught as normal
- The following week Monday, 6 April to Thursday 9 April, teachers and education assistants will prepare teaching programs for Term 2
- During this time (6 to 9 April), students who attend school will be supervised

The Government recognises there will still be families who need to send their children to school to continue their learning during this period.

A comprehensive Parent Information Booklet will be issued to families tomorrow providing further information on our plans for the coming weeks.

Thank you once again for your support of the school at this time.

Regards

Louise Armstrong
Principal
