EAST NARROGIN PRIMARY

What is Compass

Compass is a school management solution that allows parents and carers to access up-to-date and meaningful information about your school and your child's progress. Compass includes many different features, including the ability to:

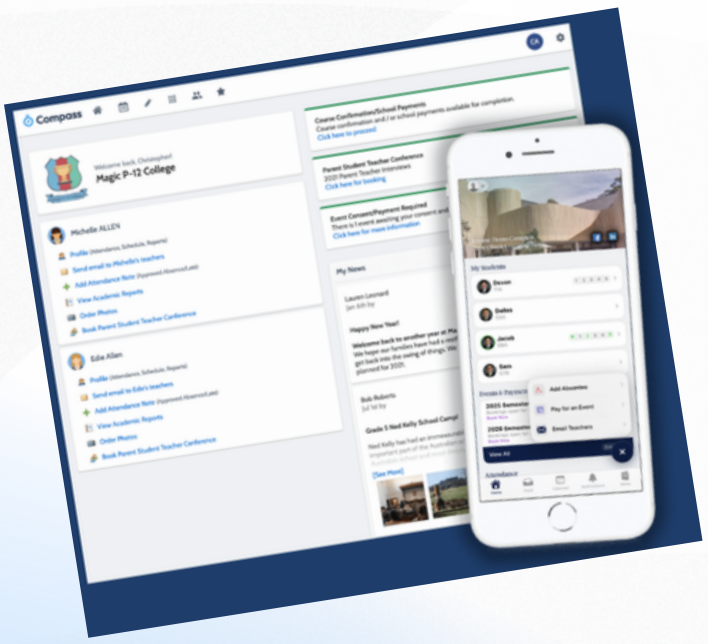

- View the school calendar
- View the School News Feeds
- Access and view the school newsletter each fortnight
- Access and view term planners
- Monitor your child's attendance
- Enter an explanation for absence or lateness
- Communicate with your child's teachers
- Update your family contact details

You can download the Compass App on iOS and Android devices, simply search for Compass School Manager in the store.

Why we use Compass

We want to streamline our school communication to families.
We believe in delivering clear communication and giving parents a quick and easy way to access information about school in the one spot.
