From the Principal

Kaya,

We can sure feel the brunt of Makuru hitting East Narrogin Primary School. Which representing the coldest and wettest time of the year. I challenge you to get out on Country during your holiday break (rugged up of course) and explore all Makuru has to offer. Observe the beautiful flowers draped in blues and purples and explore the waterways beginning to fill. Snap a photo of yourself and/or your family out on Country and share it with us! Email your photos to eastnarrogin.ps@education.wa.edu.au we would love to share in our first newsletter back.

Reporting to Parents

As we come towards the end of Term 2 all students in the school have completed a great semester of learning and growth. It is always with absolute pleasure I get to read school reports. A hard copy school report will be sent home with your child this Wednesday.

Whilst reports can be a time of celebration of achievement, for some, there may be a concern if the progress and achievement does not align with an expectation.

Below is a description of what each grade represents:
A (Excellent) - The student demonstrates excellent achievement of what is expected for this year level.

B (High) - The student demonstrates high achievement of what is expected for this year level.

C (Satisfactory) - The student demonstrates satisfactory achievement of what is expected for this year level.

D (limited) - The student demonstrates limited achievement of what is expected for this year level.

E (very low) - The student demonstrates very low achievement of what is expected for this year level.

Please note that a C grade represents the expected level for a student in their year group.

Winter Carnival

Last Thursday 22 June, our students participated in the Interschool Winter Carnival. All students chose the sport they would like to play for the day being AFL, Hockey, Netball or Soccer. East Narrogin represented each sport, playing in the A Grade divisions. All teams were competitive and played in good spirit. Congratulations to Mr Fawell and his soccer team who made it to the Grand Final but were beaten by a stronger team from St Matthews. Massive congratulations to Mandy Kulker-Saunders and her netballers for winning the competition and taking out first place.

Thanks to;

- * Mandy Kulker-Saunders for coaching netball.
- * Todd Riley for coaching football with Mr O'Dea.
- * Mr Fawell for training and coaching the Soccer.
- * Mrs Annear for her dedication to the Hockey Team.

Whoosh Excursion

A huge thank you and congratulations to Arts Narrogin and Brad Flett for bringing this opportunity to Narrogin and offering an inclusive and interactive performance. This was an out of this world experience. All involved took something away from the experience including the staff.

Students and staff were taken on a trip to Outerspace and dropped on to a planet where all were able to explore using all their senses

Engagement with Miss Clark

For Engagement in Room 4 with Miss Clark this week students from Pre-Primary to Year 6 have been building using construction, paper and newspaper. We have demonstrated our creative flair and had a lot of fun working individually, in partners and in teams.
