From the Principal

It has been another busy and productive fortnight at East Narrogin Primary School. We continue to make positive changes to strengthen our school routines, build connections and ensure our students have a calm, safe and supportive environment in which to learn.

Compass
Compass is an important communication tool between school and home. Families who have not accessed Compass recently have been provided with a new login letter to help them reconnect.

We encourage all families to check Compass regularly for school updates, upcoming events, important notices and consent forms. Staying connected helps ensure you don't miss important information about your child's schooling.

Our New Morning Routine
Our new before-school routine is settling in well, and we are pleased with the positive response from students.

Students now gather in our designated before-school 'Djilyara Café' area, where they can sit calmly, connect with friends and prepare for the school day. We are gradually making this space warmer and more inviting.

Establishing calm, predictable routines helps students feel safe, connected and ready to learn. Thank you to our families for supporting these changes.

World Teachers' Day
On Friday 30 October, we celebrated World Teachers' Day and acknowledged the incredible work of our teaching staff.

Teaching is a profession that requires skill, dedication, patience and a genuine commitment to making a difference. Our teachers work tirelessly to support the academic, social and emotional growth of every child, often going well beyond what is expected.

I would like to sincerely thank our wonderful teachers for the care, professionalism and commitment they bring to ENPS each day. We are fortunate to have such a dedicated team.

From the Principal cont..

School Board
Our School Board recently met to discuss current school priorities, improvements underway this term and our direction for 2027.

A key focus was our commitment to strengthening literacy instruction, with a particular emphasis on Reading, alongside consistent whole-school approaches to teaching, behaviour, attendance and student wellbeing.

I appreciate the valuable contribution of our Board members, who give their time to support the ongoing improvement of our school.

Kindy Assembly & Volunteer Morning Tea
We look forward to celebrating our wonderful volunteers at our upcoming Volunteer Morning Tea, following the Kindergarten Assembly.

Our volunteers contribute so much to our school, whether through classroom support, the P&C, school events or the many other ways they generously give their time.

We hope you can join us as we say thank you! All parents and carers are welcome as a lovely opportunity to connect with other families, staff and our school community.

Date: Thursday 5 November, Week 4
Time: After assembly
Location: Undercover Area

Upcoming Events
We have a busy and exciting end to the school year ahead, with a range of activities, excursions and celebrations planned for our students.

Please keep an eye on Compass and check your child's bag regularly for information and consent forms that need to be returned.

Returning forms promptly helps us ensure all students can participate in these valuable experiences.

Planning for 2027
Planning for the 2027 school year is already underway, including class structures, staffing and student support.
Accurate enrolment numbers are essential to this process.

If your child will **not be returning to East Narrogin Primary School in 2027**, please notify the front office as soon as possible.

Similarly, if you know of families intending to enrol at ENPS next year, particularly in Kindergarten, please encourage them to contact the school.

Your assistance helps us make the best possible decisions for our students and staff.

Every School Day Counts!
As we approach the end of the school year, it is important that students continue attending school regularly.

Each day of learning builds on the day before, and a missed day can mean a missed building block of knowledge and understanding.

Regular attendance also helps children maintain routines, strengthen friendships and feel connected to school.
We encourage attendance every day unless a child is unwell or there is another valid reason for absence.

Thank you for making school attendance a priority and working with us to give every child the best opportunity to succeed.

Thank You
Thank you to our families for your continued support as we work together to strengthen our school.

Positive relationships between home and school make a real difference, and I appreciate the conversations, feedback and encouragement I have received.

I look forward to another productive few weeks as we approach the end of the school year.

Miss Melanie Stafford
Principal

P&C

School Disco
The P&C are excited to announce they are hosting a school disco on Friday 5 December, Week 8.

More information will be sent out to families soon.

Next Meeting
The next P&C Meeting will be held on Friday 11 December, Week 9.

More information will be shared soon

Uniform Shop
The Uniform Shop is open by appointment.

Please contact Brooke on gheckoembroidery@gmail.com or 0488 206 808 or complete a Uniform Order Form at the Front Office.

Lunch Orders
Narrogin Senior High School will continue providing lunch orders on Mondays and Fridays.

Please make sure lunch orders are completed **before** school in the Art Room with Mrs Desi.
