### From the Principal

Kaya to the ENPS community,

We have had a busy few weeks with special events, visitors and excursions. It is so wonderful for our students and families to be involved in these wonderful opportunities that enhance our teaching and learning curriculum.

In an effort to streamline our home/school communications, we are trialling a new format for the newsletter, in conjunction with Facebook, Compass and ENPS website. To reduce our environmental footprint and improve sustainability, the revamped newsletter will be shared on Facebook, Compass and the ENPS Website.

If you prefer a hard paper copy, please contact the Front Office and we can send home a paper copy with your student/s.

If you require login details for Compass please contact the Front Office and this can be arranged.

#### Literature Centre Visit

On Monday 25 May, The Literature Centre from the State Library in Perth conducted an incursion in the school Library.

The presentation was called 'Storytelling on the Road' with author Raiwyn Caisley as the guest speaker. Raiwyn shared her experiences and adventures across Australia which were the inspiration for her picture books. Several copies of her books were donated to our Library.

The presentation also included information on Social and Emotional Wellbeing and how Tuning In, Discovering, Connecting and Feeling all contribute to developing positive self-awareness and being ready to try new experiences.

All students in pre-primary to Year 6 were engaged in the sessions and enjoyed meeting and collaborating with our visitors.

#### Cross Country and District Cross Country

Well done to all our students that participated in last week's Faction Cross Country. You are all to be congratulated on your achievements and should be proud of yourself for displaying great sportsmanship.
