From the Principal

Kaya to the ENPS community,

We have had an exceptionally busy few weeks at ENPS with our students and staff participating in many activities at school and in the community.

Our students are to be commended for demonstrating our school values of Be Responsible, Be Respectful, Be Caring and Considerate and Be Your Best.

District Cross Country

Before the long weekend, East Narrogin hosted the Narrogin Districts Cross Country event at Thomas Hogg Oval.

We had 11 schools attend with over 150 students participating and giving their best, representing their school with pride.

A big thank you to all our staff, parents, P&C and community members who helped make this event possible. Teamwork makes the dream work!

School Development Day

Staff were very busy on the School Development Day with a variety of professional learning activities.

An interactive presentation was made by the School Psychologist about mental health and wellbeing. All staff then participated in a review and in-depth analysis of the Positive Behaviour Guidelines for ENPS.

Staff then completed some online learning modules to build capacity of effective teaching and learning in the classroom.

I hope everyone enjoyed the long weekend with family and friends.

Messines Bee Farm Incursion

We will be welcoming Messines Bee Farm to ENPS next Tuesday 16 June for a whole school incursion. Messines Bee Farm delivers hands on bee education experiences for

schools and communities, designed to spark curiosity and deepen understanding across generations.

Their programs are educator led and grounded in real world practice, combining live bees, sensory learning, and engaging teaching approaches to create meaningful learning experiences for children, adults, and older learners alike.

Messines Bee Farm have a stock list available for staff and community to purchase.
