## From the Principal

Hi to All,

### Narrogin Children's Week WA 2025 Expo

Many thanks and congratulations to Miss Partyka who created a welcoming and interactive space for the children and visitors at the John Higgin's Centre last Monday 27 October.

It was wonderful to meet new families and children as part of the Narrogin Early Years Network. Please see the photos of the spectacular multi coloured rice and peas, the children were enjoying and learning at the same time.

### World Teacher's Day/Appreciation Days

Friday 31 October was World Teacher's Day. A day we take a moment to recognise the role our teachers play in helping our students learning each and every day. Our staff were recognised with a morning tea and gift bags to show our appreciation for everything they do.

Earlier in the term, our school community also acknowledged our amazing gardener, Mr Forrest and our cleaners, Claire and Juan for their efforts in getting our school beautiful and clean.

Thank you to our amazing team at ENPS for everything you all do every day, our students are very lucky to have you all.

### Staff Updates

Welcome back to Miss Sieber who has returned to the kindergarten class for the remainder of the term. I am sure the kindergarten students will be very excited to see her again.

Welcome back to Miss Bardsley, a fabulous teaching practice student, who is returning to the Year 1 and 2 class as their regular teacher on Mondays through to Thursdays this term. Mrs Hamilton will teach in ECC1 on Fridays.

### Kindergarten Orientation Session

## From Principal cont...

I would like to extend a big thank you to Mrs Betteley, Mrs, Cutri, Mrs Grout and Miss Sieber for their work preparing these sessions, the children have loved their activities.

A reminder that our final Orientation Session is on Wednesday 12 November from 9:00am to 10:30am. Our Uniform Shop will also be open from 8:45am-9:30am if parents are wanting to purchase/view our uniform.

It is not too late to enrol for 2026 Kindergarten. If you know someone that is needing to enrol their child or will be moving to Narrogin next year, please send them our way.

### STEAM Afternoons

Our STEAM Afternoons have been thoroughly enjoyed by staff and students this year and have allowed students to learn in many environments and experience many different areas of Science, Technology, Engineering, Art and Maths.

Last Thursday, our students had the Narrogin Senior High School Year 9 Science Circus visit during STEAM. Students enjoyed an afternoon of exciting experiments and learning all about science in a fun hands-on way.

Thank you to Miss Brosnon and her students for sharing their knowledge and giving our ENPS students an insight to the fun they will have in high school.

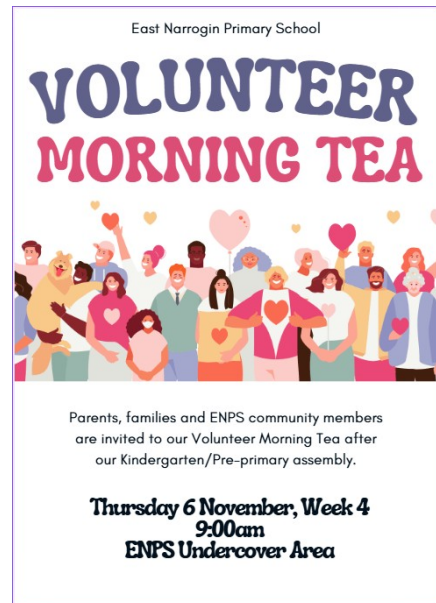

### Book Awards

As we approach the end of the year our staff and students will now be using Thursday afternoons to focus on our Book Award class performances. I am very excited to see our student's talents shine on Tuesday 16 December.

### Volunteer Morning Tea and Kindergarten Pre-Primary Assembly

A reminder to our school community that our Volunteer Morning Tea is this Thursday following our Kindergarten/Pre-Primary assembly.

We invite everyone to join us from 9:00am to watch the performance and then stay for a cuppa and morning tea.

### School Board Annual Public Meeting

Each year the School Board conducts an open meeting where all parents and interested individuals are invited to attend to observe the proceedings.

The Annual Public Meeting will be held in the *East Narrogin Primary School Library* at 5:00pm on *Monday 1 December*.

All members of the school community are encouraged to attend.

### School Board Nominations

East Narrogin Primary School Board is seeking nominations from parents who have students enrolled at our school.

Parent members bring the perspective of the students and families enrolled at our school. Parent members will represent the best interests of students and the school community.

If more nominations than places available are received, an election will be conducted by the Principal. Parent members are to be elected from and by parents.

Parents eligible to vote are:

- each parent whose name and address has been provided to the school; or
- the person who is responsible for the student.

To be eligible as a parent representative, a Screening Clearance Number must be issued by the Department of Education's Screening Unit before an appointment is made.

If you are interested in nominating for a parent position on the East Narrogin Primary School Board, please contact the Front Office for a nomination form and return the completed form by 4:00pm on *Wednesday 12 November, 2025*.

## ECC Fun

The Pre-Primary, Year 1 and 2 students have had some great STEAM Thursday afternoons this term.

They were able to design a cubby, collect sticks and play equipment and then make their cubby.

The students have had great fun learning how to make their cubby stronger and safer to play in at recess and lunch.

## PBS at ENPS

Our PBS Committee meet regularly throughout the term to establish a safe, supportive and encouraging environment for all students. Together we develop, teach, acknowledge, and encourage expected behaviours that are shared and understood by students, staff and the wider community.

This will enable students to achieve strong learning outcomes, social behaviours and a Two-Way culture.

### Behaviour Expectation

Each fortnight our school community has a Behaviour Expectation focus. The expectation is reflective of our school expectations of Being Responsible, Be Respectful, Be Caring & Considerate and Be Your Best.

### Expected Behaviour Focus

#### Being Responsible

At East Narrogin we play and stay in our designated areas at recess and lunch. We are ready and organised with our hats and other belongings if needed.

At East Narrogin we follow instructions from staff straight away. This shows we are actively listening and are being respectful to others.

#### Being Responsible

At East Narrogin we wear our hats and shoes while engaged in outdoor activities. This shows we are being responsible for our own health and safety and following school expectations. If we choose not to wear our hats we stay in a shaded area, out of the sun

### ENE Bee Assembly

Congratulations to our students who had their names drawn at our Monday Assembly. These students each had the chance to select a reward from the ENE Bee Chart.
