From the Principal

Kaya to our school community,

I hope you are enjoying the season on Kambarang. This is a wonderful time of year as we know that Summer/Birak is on the horizon. During Kambarang season, we see an abundance of colours and flowers exploding all around us.

The yellows of many of the acacias continue to abound, along with some of the banksias and many other smaller delicate flowering plants including the kangaroo paw and orchids.

During this time the balgas will continue to flower, especially if they've been burnt in the past year or closely shaved.

My favourite at this time of year is the striking displays of flowers to be seen during this season on the *moajar*, or Australian Christmas Tree (*Nuytsia floribunda*).

The bright orange-yellow flowers serve to signal the heat is on its way.

2026 Charges and Voluntary Contributions and Personal Use Items List

2026 Charges and Voluntary Contributions and Personal Use Items Lists have been shared with families via Compass and are now available on our website.

Families will receive a printed copy of this information with their child's school report.

Book Awards and Year 6 Graduation

Staff and students are busy preparing and practicing for our End of Year Book Awards and Year 6 Graduation celebrations. Parents will be receiving information home about costumes and if your child has a speaking role, they will have their scripts to practice.

If your child is receiving an award, an SMS notification will be sent out at the beginning of Week 7. We remind parents not to tell their child if they are receiving an award-this is a surprise.

We look forward to seeing you all on Tuesday 16 December at 9:00am in our Undercover Area.

Year 7 Transition Information

Year 6 students who are enrolled at Narrogin Senior High School for 2026 are invited to attend the Year 7 Transition Day on Friday 12 December.

Students are to make their way to NSHS independently, wearing their ENPS school uniform. Please organise your own lunch and drink. The canteen at the high school will be available.

PBS at ENDS

Our PBS Committee meet regularly throughout the term to establish a safe, supportive and encouraging environment for all students. Together we develop, teach, acknowledge, and encourage expected behaviours that are shared and understood by students, staff and the wider community.

This will enable students to achieve strong learning outcomes, social behaviours and a Two-Way culture.

Expected Behaviour Focus

Being Responsible

Congratulations to all students for wearing their hats and shoes. It has been great to see so many children being responsible for their own safety, following the school expectations and remembering to wear their hats to protect themselves from the sun each recess and lunchtime.

Being Respectful

Our behaviour focus for this week is we are learning to use and treat technology appropriately in all settings at our school. This shows that we are respectful towards ourselves, our school, our teachers and our classmates.

Ene Bee Assembly

Congratulations to the students whose names were drawn at our Monday Assembly. Each student selected a reward from the ENE Bee reward chart.

Week 5

Week 6

PBS Sticker Charts

Students are awarded a sticker for being their best during class time.

When their sticker chart is full students are able to choose a prize from the ENE Bee Shop on Fridays with Mrs Nelson or Mrs Grout.

I would also like to say thank you to every parent, grand parent, family member and community member that has helped the P&C over the year. Your commitment to our school and students is appreciated.
